2016 CRUISELINK SERVICES NOW AVAILABLE

With our supported cruise lines now releasing their itineraries for the 2016/17 season, we are happy to announce that Cruiseline services for sailings next year are now available to book!

We will be covering more ports across the UK with additional routes and new stops; making our Cruiseline service even more accessible. We are also continuously updating our self-owned and operated coach fleet (see below) to make sure that you are still able to enjoy the best quality of service in the best vehicles. And, of course, our Price Lock promotion means that you can travel with us next year at 2015 prices.

To find out more or to book your Cruiseline journey, call us, visit our website or speak to your travel agent.

NEW VEHICLES DELIVERED TO EAVESWAY

To meet demand, we have increased our total fleet number to 40 with the addition of five brand new vehicles!

First to arrive at our Wigan depot was our new Eavesway Exclusive coach, 'EV15'. Almost identical in style to our popular 'EV63' coach, it features the usual luxury amenities including kitchen with hot air ovens; as well as an efficient Euro6 engine.

Following that, we received three brand new coaches for use on our Cruiseline service. These are the latest of our executive vehicles including WiFi connectivity and cream leather seating. Finally, following the popularity of our Exclusive 16-seater minicoach, we have taken ownership of a second similar vehicle offering luxury travel to smaller groups.

All these vehicles are available for private hire; whether it's for business, a special event or simply for leisure, call us today and we can help you select the right coach for you.

MEET THE CRUISELINK TEAM!

This year Eavesway will be attending two cruise shows across the North West, with staff on-hand to offer advice and support on our Cruiselink service, as well as any special offers!

The Manchester Cruise Fair will take place on 31st May at the DoubleTree Hilton hotel. Operated by our friends at Vision Cruise, there will be representation by all major cruise lines, including our supported partners. Attendance is free!

The Telegraph Cruise Show will be returning to the Liverpool ACC on 17-18th October, and once again we will be an official show partner; offering free coach travel on our executive coaches to and from the show on both days. Our team will also be on-hand at the show to answer your questions.

More information on the events can be found on the Events page of our website, or via our Facebook & Twitter channels.

NEW WEBSITE & BOOKING SYSTEM COMING SOON

We're excited to announce that we are updating our website and booking system to offer a better service for our customers. With Eavesway continuing to grow, the need came to invest in our technical services; and with the help of Distinctive Systems, we will soon be launching an online booking service that's easier to use, with additional features available. Keep an eye on our website for more information and to see the updates once they go live!
